Students are informed of their rights through the enrolment process, curriculum delivery, the Student & Parent/Guardian Handbook, College policies, newsletters and information on the College website, to give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at College Reception and on the website.

When the College is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents, carers or guardians, as appropriate) informed about progress.

## Appendix 2 – Four Critical Actions for Schools

### FOUR CRITICAL ACTIONS FOR SCHOOLS

## Responding to Incidents, Disclosures and Suspicions of Child Abuse

#### YOU MUST TAKE ACTION

As a school staff member, you play a **critical role** in protecting children in your care.

- You **must** act, by following the Four Critical Actions, as soon as you witness an incident, receive a disclosure or form a reasonable belief\* that a child has, or is at risk of being abused.
- You **must** act if you form a suspicion/ reasonable belief, even if you are unsure and have not directly observed child abuse (e.g. if the victim or another person tells you about the abuse).
- It is strongly recommended that you use the **Responding to Suspected Child Abuse template** to keep clear and comprehensive notes, even if you make a decision not to report.

\*A reasonable belief is a deliberately low threshold. This enables authorities to investigate and take action.

### 1 RESPONDING TO AN EMERGENCY

If there is no risk of immediate harm go to **Action 2**.

If a child is at immediate risk of harm you **must** ensure their safety by:

- separating alleged victims and others involved
- administering first aid
- calling **000 for urgent medical and/or police assistance** to respond to immediate health or safety concerns
- identifying a contact person at the school for future liaison with Police.

Where necessary you may also need to maintain the integrity of the potential crime scene and preserve evidence.

### 2 REPORTING TO AUTHORITIES / REFERRING TO SERVICES

As soon as immediate health and safety concerns are addressed you **must** report all incidents, suspicions and disclosures of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.
