## **Implementation**

Students are expected to attend the College from 9.30am to 3.30pm every day of each term unless:

- there is an approved exemption from College attendance for the student;

- the student has a dual enrolment with another school and has only a partial enrolment in the College, or
- the student is registered for home schooling and has only a partial enrolment in the College for particular activities.

The College will identify individual students or cohorts who are vulnerable, and whose attendance is at risk and/or declining, and will work with these students and their parents to improve their attendance through a range of interventions and supports.

Students are expected to attend the College every day, arriving on time and prepared to learn. Students are encouraged to approach a teacher or a youth welfare worker to seek assistance if there are any issues that are affecting their attendance.

Parents are expected to ensure that students attend the College on time every day unless otherwise advised by the College, to communicate openly with the College, and to provide valid explanations for any absence.

Parents are expected to communicate with the Deputy Principal/Curriculum Leader about any issues affecting their child's attendance, and work in partnership with the College to address any concerns.

Parents are expected to provide a reasonable explanation for a student's absence from the College and endeavour to schedule family holidays, appointments and other activities outside of College hours.

### **Supporting and promoting attendance**

Our College promotes student attendance by:

- providing programs that encourage positive decision making and assist students in managing conflict;
- involving students in planning and decision-making related to their learning and self-development;
- assigning a youth welfare worker to each class who will work with students and parents to support their attendance and provide wellbeing services or referrals to welfare and support agencies; and
- developing activities that encourage attendance, such as providing breakfast, light lunches and a range of sports and other activities.

### **Recording attendance**

The College will record attendance in every class to:

- meet legislative requirements;
- discharge the College's duty of care for all students; and
- meet Victorian Curriculum and Assessment Authority requirements for VCAL students.

Attendance will be recorded by the classroom teacher twice per day, using Synergenic /or compatible student management software.

If students are attending a College approved outside activity, the teacher in charge of the activity will record them as being present.

An Attendance Register (**see Appendix 3**) will record student attendance twice per day and record any given or apparent reason for student absences.

### Recording absences

For absences where there is no exemption in place, either a parent (for students under the age of 18 years) or the student (aged over 18 years) must provide an explanation on each occasion to the College.

Parents should notify the College of absences by:

- contacting reception if it is an unplanned absence, or
- informing the classroom teacher if it is a planned absence.

If a student is absent on a particular day and the College has not been previously notified by a parent, or the absence is otherwise unexplained, the College will notify parents by text or telephone. The College will attempt to contact parents as soon as practicable on the same day of the unexplained absence, allowing time for the parent to respond.

If contact cannot be made with the parent (due to incorrect contact details), the College will attempt to contact any emergency contact/s nominated on the student's file held by the College, where possible, on the day of the unexplained absence.

The College will keep a record of the reason given for each absence. The Deputy Principal/Curriculum Leader will determine if the explanation provided is a **reasonable excuse** for the purposes of the parent meeting their responsibilities under the *Education and Training Reform Act 2006* and the College's Attendance Policy.

Students at the College are required to maintain an attendance rate of **80%** for each unit of VCAL and VET.

Reasons for absences fall into two groups – **approved** or **unapproved** reasons.

Students therefore cannot miss more than **20%** of each unit of VCAL and VET for unapproved reasons.

Examples of approved and unapproved reasons for absence:

Examples of approved reasons for absence and evidence required	Examples of unapproved reasons for absence
Illness – <i>medical certificate</i>	Driving lessons
Bereavement or attendance at a funeral– <i>notice from paper and note from home</i>	Personal issues (without further explanation)
Job interview – <i>letter from employer</i>	Family commitments
Medical/dental appointments (which cannot be arranged out of class time) – <i>medical certificate</i>	Assessment Task preparation for other VCAL or VET units

Examples of approved reasons for absence and evidence required	Examples of unapproved reasons for absence
Attendance at training and/or work placement for School Based Apprenticeship or VET program outside of Plenty River College	Part time work commitments with the exception of School Based Apprenticeship work placement and training
Court appointments and counselling – <i>letter from the court or certificate of attendance from counsellor</i>	Sleeping in or missing the bus Car or bike breakdown
License testing (one attempt only) - <i>receipt</i>	Supporting upset friends Timetable mix-ups
School refusal, if a plan is in place with parent to address causes and support student's return to the College – <i>Attendance Improvement Plan</i>	Centrelink appointments
Cultural observance if the parent notified the College in advance – <i>note from home</i>	
Family holidays, where the parent notified the College in advance – <i>note from home</i>	

If the College considers that the parent has provided a **reasonable excuse** for their student's absence, the absence will be marked as an **approved** absence.

If the Deputy Principal/Curriculum Leader determines that no reasonable excuse has been provided, the absence will be marked as an **unapproved absence**.

If no explanation is provided by the parent within 10 school days of an absence, it will be recorded as an **unapproved absence** and recorded on the student's file.

### Attendance Monitoring:

In order to monitor attendance, our College will:

- check and record the daily attendance of all students;
- monitor attendance twice daily and identify absences from each class;
- identify the person(s) with responsibility for monitoring daily attendance;
- follow up unexplained absences on the day of a student's absence;
- notify parents of unsatisfactory attendance;
- maintain current contact details for parents; and
- accurately record attendance on student files.

### Managing non-attendance and supporting student engagement

Where students have been absent for more than 20% of each unit of VCAL or VET, the College will work collaboratively with parents, the student, and other professionals, where appropriate, to develop strategies to improve attendance, including:

- establishing a Student Support Group;

- implementing an Attendance Improvement Plan;
- developing or updating a Student Health Support Plan; and
- implementing a Student Absence Learning Plan/Return to School Plan for students who will be absent for an extended period.

The College understands that, from time to time, some students will need additional support and assistance. In collaboration with the student and their parent, the College will endeavour to provide this support when it is required through the Student Support Team, and Student Support Groups.

## **Communication**

1. This policy will be communicated to the College community through the College website.
2. College teachers and the Student Support Team will be informed of their obligations in relation to student attendance by:
  - attending the College induction program for new staff;
  - receiving a copy of this policy at the first staff meeting at start of the College year;
  - retaining 'student attendance' as an item on staff meeting agendas to facilitate improvement; and
  - receiving a copy of the College's Teacher Handbook
  - Parents and students will be informed through the Student and Parent/Guardian Handbook.
